

# Writing for the Christian Science Periodicals

A CONVERSATION WITH STEVE CARLSON

If you've been thinking about writing for the Christian Science periodicals but are still trying to get started...or have a few articles that you've never quite finished... you're going to love this workshop with Steve Carlson.

With close to three decades' experience as a staff editor and a senior staff editor in the *Journal*, *Sentinel*, *Herald* Editorial Department and as an editorial consultant for the Christian Science Board of Lectureship, Steve will be sharing useful insights and practical tips that can help you develop and polish articles for publication. Bring your notes, questions, and ideas to share in the conversation.

**Saturday, April 2**

**10:00 A.M.—12:30 P.M.**
