HEALTH INSURANCE

- **Group Health**-usually provided by employers
- **Indemnity** – Indemnity policies pay a fixed daily rate for in-patient care. The following organizations provide policies that cover Christian Science nursing:
 - SCS (Serving Christian Scientists) 800-631-7980 or www.scsinsurance.com
 - AARP Health 800-227-7789 or www.AARPhealthcare.com
- **Medigap/Medicare Supplement** – Medigap policies work in conjunction with Medicare benefits. They generally pay for Christian Science nursing charges that Medicare doesn't cover (such as deductibles) and when Medicare benefits are exhausted but the patient continues to qualify for Medicare. Most Medigap policies may be used at the BA and at other Christian Science nursing facilities that are Medicare providers.
