

Christian Science Nursing Youth Service Corps in the Boston Area

September 2022 - May 2023

Are you 18-30 years old and looking to gain new work experience while serving the Christian Science field?

The Christian Science Nursing Youth Service Corps (CSNYSC) provides paid service-learning opportunities at a Christian Science Nursing facility.

- At Chestnut Hill Benevolent Association, CSNYSC participants will have mentored time helping throughout the facility, such as learning about Christian Science nursing, nonprofit management, hospitality, marketing, facilities maintenance, finance, and food service.
- The commitment is at least 20 hours per week for 9 months and a desire to grow as a Christian Scientist.
- It offers a \$15/hr wage, free housing, and an educational grant upon completion.
- Job description on our website: www.chbenevolent.org/csnysc
- Application and more information about CSNYSC at: www.comforterscalling.org
